Expert Committee

We have examined the enclosed item submitted to PSE, of which an image is shown below, and are of the opinion that:

Cat No.	Issue	Denom.	Color
Scott 1355b	1968	6c	Multicolored

"it is a genuine unused, o.g., never hinged, top right margin plate block of six (2X3), with a small tear in the selvage only at right between the right center and right bottom stamps not affecting the error."
